## ABOVE & BEYOND

PINK “ME”® is a 501 (c)(3) non-profit organization located in Rio Rancho, New Mexico. PINK “ME” founded in 2020 by two-time breast cancer survivor, Dr. Michelle Bean, was inspired through her journey, to provide to other women an opportunity to connect and support each other. Her experience and passion to give back is expressed through the mission and vision of PINK “ME” (Providing Information, Networking, and Knowledge, “My Experience”).

One of the PINK “ME” Programs: Connected By Cells fulfills part of Dr. Bean's vision. The program focuses on “changing something that’s commonly heard when diagnosed with breast cancer, having cancerous cells, into a positive virtual support platform that allows women to obtain information needed for their journey, connect and network with others, all while being compassionately supported.”

*No one should face breast cancer alone.*
